(This next part I could not hear or decipher from the recording. Mark was kind enough to help fill in the blanks. Thank you Mark!)

The Supreme Court ruled that New York’s “may issue” concealed carry permit law was unconstitutional, and they need to change it (either to “shall issue” or get rid of the permits altogether... although I’m not sure THAT’s legal either). There are several other states that will be impacted by this - Illinois, California, Massachusetts, to name a few.

By-Laws: N/A

Hunter Safety: Dates posted on the Dept of Fish and Game Website.

Trap Shoot: Going good.

Membership: We currently have 861 Members. Motion to accept all new members as read; Motion passed.

Building: We have a new cleaning lady. Changed paper towel holders in both bathrooms because it is getting hard to get those specific towels.

Gun Show: N/A

Sanford Range: Looking good.

Berwick Range: Looking good. Does anyone know how to keep the vinyl siding from coming off the side of the building? Because it keeps coming off. Zack will get some nails.

Publicity: N/A

Cowboys: 15 shooters at last shoot. Next shoot July 30th, Wild Bunch July 31st. Will be canceling the August shoot

Archery: Found a member who took all the old targets. Will put out new targets – if you have any special requests, please let the committee know.

2-Gun Shoot: Had first match of the year. 20 shooters. Had a good time. Not running this month's match. August match should be held.

USPSA: Last match about 75 shooters, was a certified match. Next match August 7th.

Steel Shoot: 42 shooters at last shoot. Next match Sun, July 17th.

Range Safety: N/A

Unfinished Business: Trap Machine: Still on hold. Art talked with Derek; Dead set to NOT allow just anyone in the bunker to have access to the machine without someone who knows how to properly operate the current Trap Machine.

New Business: N/A
