Sanford Range: Had to replace the stove pipe on pistol range. Someone shot at 50-yard range and shot it up... member speaking too soft spoken, cannot make out details. Something about cutting trees.

Berwick Range: Received another noise complaint, Zach got an email from town manager. Art and Zack talked to a complainant for hour and a half. Biggest objection is early mornings and Sunday afternoons. Art shot "around" - the 6 pistol bays and shot gun and trap ranges are louder than expected. Will be making changes to accommodate – to start, the Club would like to change Range hours of operation to start at 8am to Sunset, 7 days a week. Will also try to move our organized shooting events (ex. Steel Challenge, Cowboy) to Saturday instead of Sunday – but this won't be implemented until next year.

Complainants would like to see;

- Cease-fire at 6pm two nights a week. (Friday & Saturday)
- No Shooting on Sunday.
- Sound Barrier

Motion to change the Berwick range start time to 8:00am effective August 8th, 2022. Motion carries.
